

**Hilary Noskin Honored with Women of Influence
Award and State Bar Commission (February 1, 2010)**

New Mexico Business Weekly has named its 2010 Women of Influence honorees, and we are pleased that our own Hilary Noskin, Ph.D., Registered Patent Attorney, is one of those honorees. Now in its 6th year, the award program shines the spotlight on local businesswomen and community leaders who are a force in the region. The program honors 30 of the area's most influential women from every industry and profession. These women have made a difference in our community, blazed a trail, and are leaving a mark on New Mexico business.

To make 2010 even more exciting for Hilary, she has also been elected to the State Bar of New Mexico's Board of Bar Commissioners, for the First District. The Board of Bar Commissioners is the governing body of the New Mexico State Bar. Congratulations, Hilary!

Hilary is a guest speaker for WESST CORP's MARKETLINK 2010, a six-week intensive marketing course (February 22nd -March 29th) to help entrepreneurs grow their businesses. See www.wesst.org for more information about the course.
