

Peacock Myers, P.C.
Billing Rates and Standard Terms of Representation

For 2016, Peacock Myers, P.C., has decided to maintain most of our billing rates at the same levels as 2015. You will see a slight increase for Phil Askenazy, Isaac Estrada and Justin Jackson.

This is the time of year to also remind you of our standard terms of representation, which includes the 2016 billing rates. These terms apply unless there is some other written agreement in place.

We appreciate your continued business! And, we appreciate your feedback – please direct to Deborah Peacock, dpeacock@peacocklaw.com.
