

Diane Nelson cycling 100 miles for the Leukemia & Lymphoma Society (March 2010)

Diane Nelson

Peacock Myers' Diane Nelson will be cycling 100 miles for the Leukemia & Lymphoma Society. Her goal is to raise \$5000 for the Leukemia & Lymphoma Society ("LLS"), a not-for-profit, voluntary health organization whose mission is to CURE blood related cancers and improve the lives of patients and their families. This year, Diane is riding in memory of our beloved friend and colleague, Vidal Oaxaca, who we lost in 2008, after a long battle with cancer.

LLS is the world's largest voluntary health organization dedicated to funding blood cancer research and providing education and patient services. Their mission is to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and to improve the quality of life of patients and their families.

Please visit Diane's fundraiser webpage at <http://pages.teamintraining.org/nm/santafe10/dnelson300> to make your contribution to the fight against cancer. All donations are 100% tax deductible and are used for cancer research, patient and community services, advocacy and education.
