NM SBIR Award Matching Grant Application Period Now Open!

The New Mexico Economic Development Department (NMEDD) is prepared to award matching grants up to \$50,000 to qualified New Mexican companies. NMEDD's matching grant program is designed to give matching awards to companies that have received federal Small Business Innovation Research (SBIR) award funds for the further development and commercialization of new technologies. To qualify for this competitive grant, applicants must have an active Phase I or Phase II SBIR award or a letter of award.

Applications are due by 5 pm on November 2, 2018.

The full application may be found at this link: <https://gonm.biz/business-development/edd-programs-for-business/office-of-science-technology/new-mexico-small-business-innovation-research-sbir-matching-grant/>.
