**Hannover Messe 2019 Industrial Technology Trade Show**

We wish to make you aware of the upcoming Hannover Messe 2019 Industrial Trade Show. Hannover Messe is one of the largest industrial trade shows in the world with exhibitors, buyers, and potential distributors from all over the world. The trade show is in **Hannover, Germany** on **April 1-5, 2019**. Specific industries include industrial supply, research and technology, integrated energy, digital factory, integrated automation, motion and drives, and compressed air and vacuum systems. For more information, please visit **[www.hannovermesse.de](http://www.hannovermesse.de)**.

For eligible small businesses in New Mexico, the Office of International Trade may pay for booth space fees (up to \$7000) and will also assist in coordinating participation. To apply, complete forms for assistance under the U.S. Small Business Administration, State Trade Expansion Program. To be eligible for assistance, the business must be an SBA eligible small business concern and must certify that the product has a least 51% U.S. content.

Contact: Edward Herrera, New Mexico Economic Development, (505) 827-0300, [Edward.Herrera@state.nm.us](mailto:Edward.Herrera@state.nm.us) (forms, apply for assistance, and learn more about the trade show).
