**Hillerman – *The Sacred Bridge* (NY Times Bestseller List) and AMC *Dark Winds***

Peacock Law is honored to represent New York Times Bestselling author, Anne Hillerman. Her latest book, *The Sacred Bridge*, reached #6 on the NY Times Bestseller List in May 2022. Each of Hillerman's previous six novels have also appeared on the New York Times' Bestseller List.

In her fiction, Anne continues the legacy begun by her father (Tony Hillerman) featuring Navajo detectives Joe Leaphorn and Jim Chee. Anne added Officer Bernadette Manuelito as a major crime solver to her works. By taking the series in her own unique direction, Anne has made lasting and invaluable connections in the Navajo community and given readers hours of pleasure.

In addition, Anne is an Executive Producer, along with George R.R. Martin and Robert Redford, on AMC Networks' upcoming original series, *Dark Winds*. *Dark Winds*, a noir thriller, is based on Tony Hillerman's Leaphorn & Chee books. The first episode premieres Sunday, June 12, on AMC and AMC+.
